- (1) Not all available products are listed. Please contact us if you do not see the product(s) you are looking for.
- (2) This chart is to be used as a reference source only as it reflects what might be considered 'Functional Equivalents' based solely on physical properties and structure. All "Equivalents" should be determined by the design engineer.
- (3) All competitive information previously published on each manufacturer's website and/or other industry recognized sources, and may change without notice.
